

Hi there! I'm Maxwell, a creative and results-oriented student at Saint Louis University.

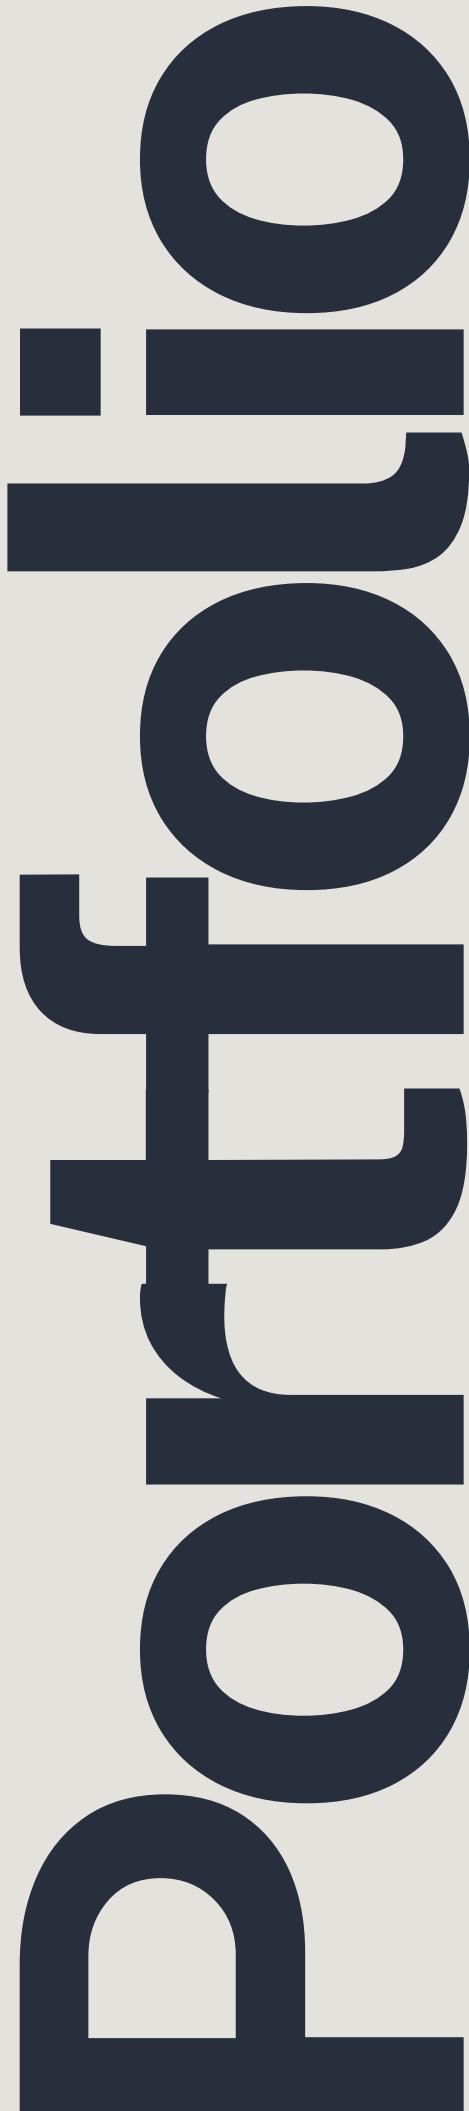

While I'm currently pursuing my studies, I'm also actively involved in the SLU-CCA Concert Orchestra as a CCA scholar. Beyond music, my passion for design translates into my roles as a social media manager, graphic designer, and costume custodian.

I'm constantly honing my skills in drawing, design, and editing. While I may be early in my creative journey, I'm a dedicated learner with a commitment to delivering high-quality work that exceeds your expectations.

Let's connect and see how I can bring your vision to life!
